I married into the family and Bob's older sister was my grandmother-in-law. What a wonderful family! Bob was in the hospital and we ran into him when I was in the hospital having my last child, 23 years ago, in the elevator. He was so sweet. I will never forget that!

Psalm 90:10 states that a normal life span is 70 years but if because of special mightiness 80 years. Mr. Fredricks certainly lived a long life and I'm sure was dearly loved by his friends and family. May you all find comfort in our Heavenly Father's promise found in His word the Bible to very soon do away with all sickness and death. (1Cor. 15:26; Rev. 21:3,4)
