My Mom and Pat were friends since they graduated from High School together in 1934. Pat became my friend as well and she was a beacon of good will and kindness. I will miss her very much. I hope she and my Mom are now talking and laughing together again. My condolences to her family on their loss. Pat was a treasure.

I worked with Pat, at Pioneer Business Forms. We always kept in contact. I am very sad at her passing. She was a one of a kind lady and the world needs more like her. Last winter, she and I met with other ladies we worked with at Pioneer and enjoyed sharing memories and food and really enjoyed our visit. I will miss her, but now she is with her beloved Jim. R.I.P. My condolences to her family. Sherri Lange
