Blanche E Lenoue

JAN 18, 1923 - NOV 27, 2013

On November 27, 2013 Blanche went peacefully to her heavenly home. She was born in Minot, ND on January 18, 1923 and lived most of her 90 years in Tacoma, WA. She is survived by her daughters, Bonnie Lovell (Jim) of Tacoma and Louise Cartwright of Provo, UT; 9 grandchildren, 18 great grandchildren, and 48 great great grandchildren at last count.

The legacy she leaves behind is the love for her family, and teaching them to be caretakers of those that need help. She found her purpose in life as an aid at nursing homes. When she wasn't working she was fishing and camping with her late husband, Roy. She loved life and wore a smile through the storms that she traveled. She always knew God walked her through the hard times. This last year at Merrill gardens of Puyallup, she discovered her purpose in life wasn't over. She helped those that needed it, she listened to their stories, and she smiled at those she passed in the halls. She found a companion to share time with that made her feel loved and useful. They enjoyed meals, Wii bowling and dime bingo together. She discovered life wasn't over until God called her home.

The family wants to thank all those at Merrill Gardens of Puyallup and those at Puyallup Nursing and Rehab Center for the loving care that she received.

So sorry for the families loss of such a bright soul. I met Blanche at Merrill Gardens and loved her smile and positive attitude. She made my day when I would come and visit my friend Virginia. Blanche always touched my friend and made her feel special. Loved meeting some of the family when they came and Blanche was so proud of them all. Will miss her and send prayers for the family as you go through this time of loss. Bless you all. Colleen Wise

We met Blanche through our Uncle and has been part of our family for many loving years. I don't think I ever saw Blanche without a smile. She made us feel welcome in her home no matter when it was. We loved to surprise her when we would stop by with our camper. We're so glad that we could share Blanches life for as long as we did. Blanch and my uncle were a perfect couple for doing what they did. They made each other happy and had so much fun together & had a very special friendship. Blanche I want to thank you for letting me have the time with you that I did. We'll miss you more than you will ever know. Someday we'll see one another again. You're in Gods arms holding you tight so you're not hurting anymore. We'll see you again someday. We miss and Love you with all our heart.

The Lord has blessed my life giving me a loving Mom for 75 years. Not many are blessed with so many years to share with their Moms. She wore a smile even when she was heavy hearted. She loved taking care of others needs. She didn't have a lot of material things but she was happy with what she had. She didn't ask for much she would rather give something to others. As the years past we learned that it was better to disagree agreeably, that way we could just love one another unconditionally. It made life sweeter and the memories treasured. I will keep on loving you until we meet again. This isn't good bye, it's just a temporary separation until God calls me home. I love you Mom!
