Uncle marv, I will always remember all the good times we had, from camping to catching star fish, those memories will never fade but there will still be an empty spot in my heart. This still doesn't seem real, I just wish you knew how many people cared about you. I think about you everyday and that will never change. I will see you again some day but until then you'll be my guardian angel. I love you and miss you. ~Tara

" Oh Marv- We will miss you. I so enjoyed our talks about the music & musicians of our youth, and your effectual laugh, in fact, you were always laughing when we saw you on the dock. I know you're in a good place now . Our prayer for you is that you run into "Dylan" and the two of you go for a long walk, both smiling. Don't forget to save us a slip!! I can hear you laughing now"..... your friends Jackie & Gary.

I knew Marv since he was a very young boy. Marv had a real zest for life as a young boy and then as a young man. I had an opportunity to share many unique experiences with Marv, and for that I will be eternally grateful. Marv left us too early and will be missed each and every day. Scott
