# Loreen Lavern Thomas

MAY 23, 1956 - APR 15, 2014

**L**oreen L. Thomas went to be with the Lord on April 15, 2014 in Tacoma, Washington. She was born to Adora and Juan Cortez, the second of three girls, in Panama City, Panama on May 23, 1956.

Loreen was known for her big and bold personality, sense of fashion, decorative skill and her uncertified degree in Astrology.

She worked for Washington State as a Psychiatric Security attendant at Western State Hospital for the last 20 years. She enjoyed what she did and did not mind letting you know.

Loreen was a force to be reckoned with. As much as you wouldn't want to like her, you ended up loving her even more! Her life was filled with many friends, family and memories of laughter and love.

She had found Mr. Kenneth (KJ) Miller her life's partner, a special man in her life with whom she planned to spend eternity with. He will always hold a special place in his heart for Loreen.

Loreen has two children K'daya (Cardell) Johnson and Quintas Putney; sister Jean (Tavaris) Dixon; grandchildren Janisia Swint, Malik Putney, Anthony Davis, Qu-mari Putney and Emani Johnson; niece RaJean Davinport and nephew Quavez Dixon.

Loreen will be greatly missed and remembered, but is reunited in Heaven with her sister Laura.

Viewing will be from 10am -8pm Wednesday April 23 at Mountain View Funeral Home. Funeral services will be held at 2pm, Thursday, April 24 at Mountain View Funeral Home Celebration of Life Center Aspen Chapel.

It's been almost a year and I just can not seem to stop thinking about you. You were like a second mom to me. I have so many memories mostly of good times, laughter, fun, and great food. I really hate that I wasn't coming around much during the last couple of years before you left. I didn't even bring Tyniah by to meet you. I had a lot of things on my plate and I was really trying to grow up. It feels weird knowing that I will never get to see you again, but through my faith I know that you're Judi I just resting until the time comes when all those sleep in death will hear the call to get up. I sure hope I'm there to see you.

I have known Mrs Loreen since I've been 17 years old. K'daya and I have been best friends since then. She was one of the funniest, down to earth,kind, loving, Motherly Lady I Know. You could Talk to her about anything and she would just give you the Realest advise. She was such an Interior decorator...I mean the made her homes look like something out of a magazine. And talk about clean....don't u come up in her house and mess up nothing....lol I will miss her very dearly and I am glad to have known her and even more happier to have had a conversation with her before her passing. I love you Mrs Loreen and you will never be forgotten!!! Love always Your Friend Maylin

I worked with Loreen for 4 years starting in 2006. And boy did I LOVE working with her. She made work so fun with her bubbly personality. Everyday, she had me rolling in laughter; many times I was crying from laughing so hard. She always had my back when I needed help. I could always count on her to be beside me when dealing with the F6 patients. And boy did I LOVE her pasta salad. She was so dear when making the tun pasta salad because she always made more so I could take home. I love you Loreen and you will be missed so much. But I know that you are in a better place.
