I am so sorry to hear of your loss. I pray that you will find comfort, strength and peace. I knew Page when he was younger and remember him as a thoughtful, fun loving guy who cared deeply for his family. I got to know Page when he was a sophomore in high school when I began dating his older brother Cullen. We dated off and on for four years. When Cullen passed away it was so hard on Page, he missed him dearly. I kept in contact with Nancy over the years and always enjoyed hearing about Page. Thank you Vaile for all of the updates throughout the years...I really appreciate and love you!

The Thompson kids played together with the Stutheit kids, when we were little, while our parents played cards or visited. Our parents worked together for years. David- thank you for the memories & for reaching out in our time of need! - Fondly, Vaile (Thompson) Rodriguez, Page's oldest sister
