# Janet P. Kennedy

AUG 11, 1933 - MAY 6, 2014

Janet P. Kennedy was born August 11, 1933 and left us to visit her family on the other side on May 6, 2014. She is survived by her daughter Glenda Edee and son Leonard McIntire, several grandchildren and a great granddaughter. Janet worked in Real estate most of her adult life even into her 70's and was known by many as "JK". Her son Leonard says: "her strength and hardworking kept our family together. Her hard work and ethics taught me to be the man I am today". Her daughter Glenda wants us to remember the self sufficient, stubborn woman who made us shake our head, and always made us smile at her determination and will power. She will be missed by many. Services will be held for family and friends on May 13, 2014, 1:30 PM at Mountain View Funeral Home in Tacoma, Washington.

I have many fond memories of JK. She always had such a great attitude. We would talk about the old days when we both started in Real Estate. At that time we both thought a copy machine and a typewriter were high tech. Little did we know. It was always nice to have her pop into the office and share something about her life or the "good old days and how different things are now". Not many of us old timers left. I always enjoyed her joining in with us during Sandco functions. I shall miss her. She is in a better place with God and we shall see her again.
