Aunt Audrey, Dick, Joannie, "Hector", and Danny.....I am so sorry to hear about Uncle Dick. I would have loved to attend his memorial service but found out about it too late. I have many memories with your family, especially camping and sitting around the fires. One in particular when Uncle Dick had bullets in his belt and was standing so close to the fire we all thought he was going to turn into a human FIREWORK!! He always had a smile on his face. I pray for peace and love during this time for your family. Love, Robin Nixon-Hamilton
