My lil brother Malcolm was a good kid & in his 25 years of life he touched many people. He had a smile that lit up the room & a personality that attracted everybody. Malcolm was the best brother, son, cousin, or friend any of us could ever ask for. As a big brother I always wanted to protect him while teaching him about life through my experiences. Malcolm was growing & maturing into great man & it made me so proud. Its sad to say that we will never get see him again in life but his memory will definately live on. Malcolm I want you to know that we all love you so dearly & will never forget you. This is your big brother signing out, till we meet again I will miss your forever & a day Love Isaac.

Our love and prayers are with you Missy and Clarence. I can remember him sitting in our livingroom saying" I not leaving." We get all the way to high school and like most kids do cut class and him saying " I can't go to Fred Meyers cuz my Auntie works there and she will beat me up and take me back to school". Till we meet again. All our love Uncle Butter and Auntie Debra.

Offering sincere condolences to the family. I am so very sorry for your loss. Death was never part of our Heavenly Father's original purpose for mankind. In fact, in His word the Bible He calls it an enemy (1Cor. 15:26) which He promises in the very near future to do away with (Rev. 21:4,5) At that time tragedies and accidents will be a thing of the past, no one will ever get sick (Isaiah 33:24) and there will be a reuniting, a bringing back to life instead of losing (John 5:28,29) Please allow these words to be of comfort to you and give you hope. (2Cor. 1:3,4)
