# Marcilyn "Bea" Matthews

JUL 26, 1936 - AUG 11, 2015

**M**arcilyn was born on July 26, 1936 and went to our Lord August 11, 2015. She passed away peacefully at home, as was her wish.

She is survived by her husband, Harvey J. Matthews, 3 children, 5 step-children, many relatives, loved ones and friends.

She lived a beautiful, open, honest and loving life and will be missed by everyone. Our prayers and thanks to our wife, mother, and best friend, AS WE KNOW SHE HAS BEEN ACCEPTED IN THE GRACIOUS ARMS OF THE LORD. Her suffering is over and she shall rest in peace in his Gracious Loving Care.

I'll truly miss you my dearest, my true love, my life and my Number One, 'IT'

I LOVE YOU

Dad "Matt"

"To Those I Love And Those Who Love Me "

When I am gone, release me. Let me go I have so many things to see and do. You mustn't tie yourself to me with tears, Be happy, we had so many years. I gave you my love and you can only guess How much you gave to me in happiness. I thank you for the love you each have shown But now it's time I traveled alone. So grieve a while for me if grieve you must Then let your grief be comforted by trust. It's only for a while that we must part So bless those memories in your heart. I won't be far away for life goes on So if you need me , call and I will come. Though you can't see or touch me, I'll be near with all my love around you soft and clear. And then, when you must come this way alone, I'll greet you with a smile and "Welcome You Home". Author: Unknown

Auntie B.....♥♥♥I have so many wonderful memories from when we were growing up with you, Dolly, Auntie EO and my Saster Candy. Even tho there was a few years age difference between some of us it didn't matter one bit., we were cousins, one for all and all for one :-) Remember when Cheryl used to sit us all on the couch in Granddad Weeks garage and made us listen to her dance and sing, i think she would still do it today if she thought she could get away with it. lol. I am so glad i was able to see you a couple of weeks ago and say good bye, it was such a good day for you, you still had your wit and sense of humor and we did a lot of reminiscing that day. It was so nice to spend that time with You, Joycee and Kenny and Coralie. I will never forget you and all my beautiful memories, i Love You and will miss you greatly, please give my Mama and Daddy and Brother and Saster and our little Michelle and Taylor and all our other loved ones you are with now big hugs and kisses for me. May your time spent in Heaven waiting for us all to join you be joyful and full of love and laughter. I love you Auntie B RIP until we meet again ♥♥♥

I truly loved my auntie B. As a young child her hugs and giggles is what I loved the most. Sharing her wedding anniversary with my birthday, Carrie and I walked all the way from Park Ave house to frisbee's bakery on 38th in M st to get a cake for her and uncle Matt's anniversary. I remember seaweed drying in the driveway, kimshi barried in the backyard and her cooking was second to none!!!! I will always take great comfort in the joy she brought to my life and other. We often forget how life can be taken in the blink of an eye. But the one thing I am grateful for was the opportunity to be with Momma Bea while she was still alert. She didn't speak to me when I arrived but I said "I love you" and she threw me a kiss and then snickered. A memory I will cherish forever. I am so blessed to have had her in my life. I hope that with time my Dad will be able to understand the gift he was given and them memories they made will never fade. We all must travel down that path and one day we will be together again in the presence of our God, with no pain and suffering. Forever in our thoughts, now I ask that you are the guardian angel that hovers like a hummingbird over all of us. God is good all the time!

I miss my other mom so much. Our friendship started 30 years ago when my 5 year old son Nathan, came running into the house with a cookie and a big smile saying, "That new lady is really nice"! I miss our hysterical funny phone calls and her always being there for us, especially after I lost my mom. I would call and say its Sue the pest and she would say hi pesty. She help me with all lives major events. We love her with all our hearts. I know she is up in heaven taking care of all the animals like we always talked about. Love and hugs forever, Sue and Michael Peper, Nathan, Boots and Kitten
