~ I'll Be Watching Over You ~

You'll never see my fingerprints on the  
bookcase in the hall.

You'll never see my autograph with  
crayons on the wall.

You'll never hear my small voice whisper,  
Mom and Dad, I love you so.

Heavenly Father is calling me home  
so quickly I must go.

But I will leave a fingerprint in  
the center of your heart

So you will always remember me, I am  
so sorry we have to part.

I'll autograph a picture that will always  
be in your mind

Our Heavenly Father sends his love and  
assures you all is fine.

But you see, he needed me as part of  
his eternal plan, and I will lead the  
way for our family into the promised land.

My voice you will hear all around

---

when each new day begins,  
in the cooing of snow white dove or  
the blowing of the wind.  
Thank you for the chance I had to come  
to earth a while and when you  
think of me be sure to wear a smile.  
I was not meant to stay, I have work I  
need to do...  
For now I am an angel and I'll be  
watching over you.
