I have so many memories with Sara because i am the younger sister right below her. My sister was a beautiful person and she was loved by those that knew her. She was kind and gentle. Her smile was contagious and very helpful. Rest in peace my lovely sister until we meet again. I shall miss hearing your voice and your laughter . . . remember we used to always open all our house windows when you made your samoan pancakes in Vegas??? . . . that was funny and how you were a horrible driver!!!! I love you sister with lots of hugs and kisses. Mom sends her alofas as well. It was so sad to tell her that she couldn't come to your funeral cause I couldn't leave my twins behind. Fly with the angels sister and say hi to Auntie Vali, Dad, Grm Peka, Grp Siamani, Brother jr and all those that have slept so long ago. Manuia lau malaga uso with love. Luli
