Jackie lit a candle in honor of Kenneth .

Ken (aka) the Byrd to his family and friends, Had a heart of gold , I miss our phone calls and our trip planning. I miss most of all his contagious laugh. He loved playing with our grandchildren,it was a fun time by all to watch him interact with them , I think he had just as much if not more fun than the kids.

Cindy Condon lit a candle in honor of Kenneth .

In your hands O Lord we humbly entrust our brother and friend. In this life you embraced him with your tender love. Deliver him now from every evil and bid him eternal rest. The old order has passed away; welcome into paradise where there will be no sorrow, no weeping, or pain with your Son and the Holy Spirit forever and ever. Amen

Ken was truly a one of a kind, and I was greatly saddened to hear the lord took him away from this world. I spent many years working alongside him as a Machinist, so I may have seen a side of Ken that others may not have. He was very gifted at his trade. You will be missed Ken, and may you rest in peace until we meet again. Seth Sampson

Ken Jr. was much like his dad and had many stories to tell. I enjoyed talking to him about his trips to Alaska and Montana. Gave lots of detail and made you feel you were there with him. Will miss Ken but know he is with the Lord and looking forward when I get there to hear all the new stories. Dick Hall
