## **COL (Ret.) Arnold Lloyd Julich**

NOV 10, 1946 - JAN 26, 2016

**C**OL (Ret.) Arnold (Arnie) Julich passed away peacefully on January 26, 2016.

Arnie moved with his family to the Tacoma area as a teenager, and graduated from Lakes High School. He attended the U.S. Air Force Academy, graduating in 1968. He then spent 27 years serving his country honorably in the U.S. Air Force where he was a pilot. He flew both KC-135 tanker and B-52 bomber aircraft, held several command positions, and was both a Vietnam and Southwest Asia veteran. After retiring from the Air Force, Arnie moved to Ocean Shores, and spent 7 years working for the Quinault Indian Nation.

Arnie will be greatly missed by the love of his life, Tanya. They were married for 47 wonderful years. He will also be missed by son Mark (wife Tracie), granddaughter Melissa, brothers Nick, Jim, Tom (wife Mary), and Terry (wife Lee), sister Pam (husband Mike), and numerous nieces and nephews.

Arnie loved family. He was the “leader of the pack,” and the one we all looked up to for guidance, a bit of humor, and reassurance. We will always remember and miss his calm demeanor, wise counsel, quick smile, and joy of life.

Arnie loved the outdoors. He enjoyed hunting, fishing, clamming, golfing, and long walks near the beach. He especially enjoyed doing those activities with family and friends. He also had a major role in training their horse, Gus.

In lieu of flowers, donations may be made to Ocean Shores Baptist Church, St Jude’s Children’s Hospital, or Aberdeen Union Gospel Mission.

Viewing will be held at noon on Monday, 1 February, followed by a church service at 1 PM at the Garden Chapel, Mountain View Memorial Park in Lakewood.

There are some people that I meet for the first time & just know they are a great person. Before I knew much about Arnie, he stopped by the stables to introduce himself. I knew right away, here was a very wonderful person. He actually took a part time job with the stables, helping guide horseback rides on the beach & trails. He enjoyed telling his adventures with the public & had lots of good times, at the same time. He was only doing it for his pleasure. It was such a pleasure to have him at the stables & he & Tonya also bought a horse, so I have enjoyed having both of them around, almost on a daily basis, taking care of Gus, their horse, & always enjoying both of them at all times. No words can express how much he will be missed. Blessings to all the wonderful family! With Love, Nancy Fellows

There are so many memories with Aunt Tanya and Uncle Arn. One that really stands out was when I was at Grandma and Grandpa Isley's, somehow dating and marriage came up and Uncle Arn said, "Kimmy, no man can marry you unless they pass my approval ". Years later, I brought my now husband to meet the family - Yes, I got Uncle Arn's approval!! It was always a wonderful time to have all the Julich family join Isley clan for annual family reunions at Grandma and Grandpa Isley's house. Thank you Uncle Arn for always being the man you were and for accepting Brian and I like we were your children too! I love you and will miss you dearly
