One of my favorite memories of Meg was at Christmas time a few years ago. Family and friends were gathered at Clint and Diane's house, having a take-away gift exchange. I hadn't brought a gift to participate and so didn't hand a "number". When she found out, she quickly gave me her number, despite my protests. My gift was a beautiful vase which I will always treasure and think of her. Meg, (as have the entire Names family) have always been gracious and welcoming to all. It has been my good fortune to have had the opportunity to know her. Rest in Love and Peace Meg.

We have so many memories. Memories at the lake, at Fircrest Golf Club and playing golf. We went on several Las Vegas trips over the years and had great fun. Our bridge games every other week for twenty years were great fun. Not any one thing stands out they were all good with Meg. My heart breaks for you all. She is in a better place and I for one am looking forward to being with her again. Doris and Joe

My very first hot cocoa with marshmallows was given to me by Auntie Meg. I wasn't sure about how it would taste. She told me I would like it, I loved it! God bless you Auntie Meg. Aloha, Laura
