Hello, Jean, I saw your beloved son's obituary in the newspaper, and it certainly was a shock. I have thought of you and your family often over the years, and remembered all the Parents without Partners events we used to attend: particularly the campouts. . My heart goes out to you and your entire family...Chrislynn Craig

I have known Mike for many years as his family has lived next to me since I moved into my house next to them in July of 1974. First Edith Mike's Grandmother, then Jim and LuAnn, then Mike. All have been good neighbors. Mike has been a joy to live next to. He always has had a friendly smile and wave as you drove passed, while he was sitting on his balcony. Mike was always there to help when I needed it when my Sister and Son lived with me, as he would help getting them back on their feet or in their wheelchair. Or if I fell out back and needed assistance getting up. We would always laugh about what had happened after the ordeal was over with. I do not ever remember Mike having a bad word about anyone, he was always smiling and seemed to be in a good mode. I could always count on Mike to take my extra vegetables out of my garden. I planted too much. I was so shocked when I heard he had passed away, WAY TO YOUNG!!!. My condolences go out to Sally, his parents and family. All the people that were friends with him. He is greatly missed. RIP Mike say Hi to my family I have lost. Doris Cothern
