I will truly miss my dear friend Irene. I will never forget all the wonderful Christmas celebrations, family get togethers, the retreats and the many ways she showed kindness to Walt and I. I know she is with Gary today and will never have pain again. To Joanne and Gary I wish you both my deepest sympathy and love. To Natalia and Annalisa remember how much she loved you and how proud she was of you both. To Jason I know she was happy you joined the family. She is getting to see all the real angels now and best of all JESUS. Beth Lynn and Walt Lynn

I worked with Irene at the Fort Lewis Education Center. When I started, Irene was kind and welcomed me to the Center. As time went by we would meet for lunch. That soon became a daily gather. We shared stories and laughed. We became good friends always talking about our families and trips we'd been on. I left the Ed Center but that didn't stop our lunches. Soon I moved away. I would return every year to see my family and we always made time to see each other. Irene was so kind, caring, and honest. I loved her and will miss her. But I do know, she is happy and at peace, and with the greatest love of her life, Gary. Ida

Joanne, Natalia & Jason, Gary, Missy and Annalisa, My heart goes out to you for the loss of your mom, friend, grandma, mother-in-law and grandma-in-law. I know that she will be missed very much by all of you and it will be hard at first, but time will ease the pain and all the memories that you have of her will come to the forefront. Remember the memory book that was put together for her, knowing her, she has it in her hands and is looking through it, smiling and showing Gary (dad/grandpa) all the pictures and I know that that made her happy. I know that she will be missed and that she went too soon, but I also believe that she will be in good spirits and is again with Gary. With love, affection and my condolences, Tanja
