Darcy Morris lit a candle in honor of Claudia.

I had the pleasure of knowing Claudia through working with her at Quad C - so bubbly, giving and down to earth. She had a way of just lighting up the room with her laughter. I have only seen her a few times over they years but thought of her often. My thoughts and prayers are with her family and those closest to her.

My prayers are with the family of Claudia. She and I share a birthday; I remember over the years working with Quad-C, how she never forgot mine and I never forgot hers! I will remember her this February 25th with joy inside my tears.

Debbie Hall lit a candle in honor of Claudia.

I remember when I first started working at Quad C, Claudia was throwing a baby shower at her home for another co-worker that was pregnant. I wasn't sure I was going to go as I was also pregnant but being new to the company, didn't really know anyone. Claudia was very gracious and loving and also threw me a surprise baby shower at the same time and made me feel very included.Claudia was always one of the ones that would go out of her way and help you any way that she could.I saw her throughout the years and she always seemed happy and to just go with the flow. She will be forever missed!Debbie(Hall) & Steven Corning
