Hi there, girlie: I still pick up the phone and start to dial and then remember that you're not going to answer. I will miss you! We had a lot of fun in our early years at Stewart Jr. High and Lincoln High School. Lots of long walks, long talks, and goofing around. The group will raise a Diet Coke to you the next time we meet. I hope you're reunited with your family and dancing and singing and laughing.

Who am I going to call to go to lunch, Red Hats, Bunco or Birthday club? I bet you are watching to see what is going on. I miss talking to you. Save me a place up there with the rest of the relatives. Charlotte

Sheron it's been 2 days. Don't know how many times I thought of calling you. When you have talked to someone everyday for so many years, I hope you will be doing a lot of dancing like we used to. Miss you Janna
