## **Magdalena Cathcart**

FEB 6, 1929 - APR 13, 2018

**M**agdalena, in keeping with her usual grace, passed peacefully, knowing she was much loved by her family and many friends, including the wonderful staff of King's Manor, in Tacoma, Washington.

Born to Franz Xavier Humplemeier and Maria Magdalena in Schwaigermoos, Germany. She met George, her husband, who was stationed in Erding, Germany, in 1951. As the wife of a career Air Force soldier, she became a proud U.S. citizen. They settled in Tacoma, in 1966, upon retiring from the military.

Magdalena spent 20 years as an Estee lauder consultant at Frederick & Nelson, Lakewood, WA. In their beloved motorhome, they crisscrossed the U.S.A. They traveled to many countries including visits to family in Germany.

Volunteerism provided much pleasure, especially dear to their hearts was American Lake VA Hospital, Trout Unlimited and Stream Team.

Magdalena is survived by her three children, Gottfried "Butch", Sandra (Tim), Susan (Heinz) and 3 grandchildren, 1 great grandson and 2 great, great, granddaughters. Sister-in-law, Ottilie Humplmaier, many nieces and nephews in Germany and Pennsylvania.

Magdalena (Mom) would wish everyone to proudly display the American flag, know your neighbors, exhibit kindness, and send a card to a special person, often.

Lee and I have been best friends for many years. After her beloved George passed she and I gathered together more often but we never forgot our special guys, Lee's George and My George they both loved fishing but it wasn't as easy after age 75. Lee had many talents and gave them attention frequently. She was a "master gardener" and I watched in awe as she worked on projects with soil that became permanent. Lee and George were parents of three and their spouses. Sandra , Susan and Butch. The three of them have various talents too! I think Lee had a hand in that. I'm already missing you Lee, hope you are in the arms of your George where you loved to be. Farewell and God bless!

Magdalena (Lee) to me was one of the kindest, sweetest mom I had the pleasure to know and share family get gatherings and holidays with. She always had the biggest smile and loved to share her jellies that I couldn't wait to try. She will be missed and holds a special place in my heart.

My condolences to Magdalena's family. I had the pleasure of visiting with her at King's Manor where I moved a year ago. She always had a lovely smile for people here, a classiness about her, a genuine care for others. The service was very sweet. My best to the family for comfort and peace. Love, Ellie Froney

To Magdalena's family, I will never forget your mom. She was always so kind to us. By the jam she made us with her own, homegrown berries to the hangers she crocheted with her beautiful industrious hands, she was always gracious and giving. I will miss her smile and loving heart. She was one of a kind. Much love Carol Hendershot

My condolences to the entire Cathcart Family for your loss. Though I didn't see her often, I have only the fondest of memories of Lee... the good times we (she, George and I) shared when fishing together (trout, salmon and steelhead), her wonderful cooking (I loved her German potato salad!), and the warmth and generosity of her personality. That she and George made the trip to Phoenix for our wedding in 1979 (in their "beloved" motorhome) is something for which I will forever be grateful. It is a blessing to have known her...John Cassidy
