## In Loving Memory Of Annalysia Shindale Stewart

Sunrise:12-27-1992 Sunset:6/21/2018

I'll just wait in Heaven, "Till we meet again.  
I know you miss me, Just remember I am free.  
Free from pain & sorrow, God's love fill's each tomorrow.  
My love is in your heart, we'll never be apart.  
Cherish the love we share, Remember how much I care.  
Someday we'll be together, Because love lives forever.  
So I'll just wait in Heaven.. "Till we meet again.

Annalysia Stewart, 25, Passed Away June 21, 2018 at Kindred Hospital in Seattle WA. She was born in Yakima, WA but lived in Tacoma, WA for most of her life. Annalysia was diagnosed with Lupus and Arthritis at the age of 15 and had been battling with it for 10 years. She has 2 beautiful daughters that she has left behind, 2 & 3 yrs old but her legacy with them is going to live on forever. Annalysia was a very sweet and strong soul, she fought hard until she couldn't fight anymore. She loved music, making people laugh, exploring the outside world, getting her nails & feet done & SHOPPING. She always made sure the next person was good & taken care of no matter who it was. Annalysia graduated from Washington High School with a Diploma and later graduated Everest College in Downtown Tacoma, for a Massage Therapist. Massaging was her dream & favorite thing to do. Annalysia was extremely smart and educated, she always has to be right! Her favorite color is purple and she loved to wear gold. She also loved food, food was the key to her heart.. God gives his toughest battles to his strongest angels and Anna, you fought a very tough and long battle. The fight is over beautiful. Look over us all until we meet again. We all love you Anna Banana!

God saw you getting tired  
A cure was not to be.  
So he put his arms around you  
And whispered, "come with me".  
With tearful eyes, we watched you  
And saw you fade away.  
Although we loved you dearly  
We could not make you stay.  
A golden heart stopped beating  
Your tender hands are at rest.  
God took you home to prove to us  
He only takes the best.

Nana Banana, There are too many memories... and that is what hurts the most. We promised that you'll get to watch me give birth to my first, as I did for you. We stayed up late, listening to our old school jams, and dancing around. Every sporting event I was in, you were there on the sidelines rooting me on and telling me to keep going. We went to every football game together, every basketball game together. You knew all of my deepest secrets and your loyalty ran deep. You remained strong, through everything you went through, and never let anything take your smile away. Every time I saw you in the hospital, I always told you you had to "beat this one too" and you always chuckled and said "I will, I'm good." I miss you sis, more than you know. Thank you for giving me fourteen years of memories and love. I love you Nana and I'll never forget you.
