Several years ago Shawna and I shared a hug when one of us was going through a rough time. Ever since then, every time we saw each other we gave each other a hug. The hug provided the same comfort to each of us, time after time. I will miss that comfort hug, but I know there are lots of people, where she is now, that she can give comfort hugs to. My fun, crazy, smartass beautiful sister Shawna Allison Denault and me in Bermuda in '07, miss you so much already. The only comfort is knowing you're no longer stuck in a hospital and you're soaring with angels. RIP my sweet sister. Love you always.
