My late wife Jackie and I have known Charlene and Dave since back in the late 70's. Charlene and Jackie became close friends, as Dave and I have, and over the years we made lots of loving memories. Charlene was an excellent cook and had us over for dinner which was always a great treat. My fondest memories of Charlene was on our little road trips and RV adventures, as well as her Christmas letters!!! I will always miss her.

Kathy Mcmillan lit a candle in honor of Charlene.

I was fortunate to have known Charlene from 1964 through 1968. We went to Tops together, shared recipes and I was the recipient of much appreciated advice raising my three babies. We were neighbors until we moved to California. We continued to share a long distant friendship over the last 50 years. Her warmth and friendliness will be missed by me but forever in my memory. Sincere condolences to David and all the Baldwin family. Kathy McMillan <https://s3.amazonaws.com/storage.lifetributes.com/Candles/new/candle-10.png>
