What fun we had when Chuck and Carol would stop in to spend time with us in Stockton, CA while traveling back and forth between Puyallup and Pahrump NV over the years. We spent wine & cheese evenings recalling our decades of family interactions. Devoted parents, Chuck put his physical problems on the back burner when they returned to Puyallup permanently. They wanted to have their kids and grandchildren with them; esp. in the summers. Family was Chuck's priority. Carol & Chuck were caretakers to many extended family members, including my parents. They often traveled down to visit Jim & Jeanette, and the Provo clan, at Bear River. My parents cherished those visits. Soft spoken and big hearted, kind and laid back. We love, and shall dearly miss Chuck. He has left a legacy of loving memories for his family. Our love and prayers go out in sympathy to Carol, and all of the Williams family.
