I worked with Tom on Tour 3 for many years. He could always be counted on to show up for work. He loved getting over time and working his DDO, when we needed help. Tom was not familiar with computers, and I always helped him when he needed to do training. I think he was afraid he would hit the wrong keys and disable the thing. Tom always said hello to everyone, did an outstanding job on his route! He is truly going to be missed by me and the crew on Tour 3. Many blessings to the family and many prayers. Rest In Peace Tom, enjoy your journey. Angela K Grahame Tour 3 Custodian

So very sorry to hear of Tom's passing. I have known Tom for a very long time. We worked at the Seattle Airport Mail Center together until it closed. We caught up with each other again at the Seattle NDC. Tom always had a kind word and a cheerful hello when we saw each other. Our prayers and condolences to Tom's family.
