Frank James Whitman Jr.

OCT 22, 1941 - OCT 16, 2018

F rank James Whitman Jr.

Born on October 22, 1941

Heaven has a new angel and he is finally able to meet his dad Frank Whitman Sr. for the first time since he passed prior to his birth. Frank worked hard his entire life. He was in the Army and stationed in Germany (where he drank his fair share of warm beer), he was a mechanic, logger, and a brick layer (he loved to take us for rides and show off his work) he retired from the City of Federal way. He was a very proud man.

Frank loved NASCAR and motorcycles and was a member of the Roadrunners MC. He loved Evel Knievel and even snuck into his hospital room and shared a beer with him. He got Steph a motorcycle when she was five and they rode together.

He also had several horses while growing up and loved to tell us stories about all of them. He was a very caring and compassionate man. He had compassion but taught all his girls to stand up for themselves and not take any shit.

He loved creamed corn, potatoes, biscuits & gravy and beer! Miller Lite, Schmidt and Rainier! Loved camping, clam digging, shrimping, and more beer!

He loved his new house and the fact that it was made special just for him. Oh and Beer.

His family meant everything to him. He is survived by his beloved wife of 34 years Sylvia, daughters Kathy (David), Jayme, and Stephanie (David) his brother Dennis and Sisters Mary Ellen and Judy. He had so many other family members and lifelong friends that he loved.

His grandchildren meant the world to him and he is very proud of all of them. Jordan, Amber, Tiana, Alyssa, Danny JR, Tyler, Russell JR, Destiny, Gabe and Finley his great grandson. Also his two step-grandchildren Ethan and Gavin.

He is preceded in death by his mother Mary who he loved very much.

He loved to look at the obituaries every Sunday to make sure he was not in them...and he loved Beer!

He loved to laugh and tell jokes and kept his sense of humor no matter how bad he felt. He loved company and did we mention he loved BEER!

Cheers to you! You now have an endless supply...

Frank and I grew up together as young boys in the 40's and 50's as neighbors in spanaway, We spent lots of time together riding horses, chasing turkeys and just being boys next to his neighbors horse and 1/2 ranch. Fast forward 60 years in Yuma Arizona, we got together for an afternoon and had a few of his beers and caught up with what happened in our lives. I;d like to extend my deepest sympathy to Sylvia and Franks entire family for their tremendous loss. I feel your pain as I also lost my lifetime mate 2 years ago. I'll always remember our years together, a friend forever, Mike Wharton

Frank had honed the art of dry and funny wit. He could keep a straight face and toss a person into fits of laughter without cracking a smile. However, beyond his great sense of humor and direct manner was the true man. Not only was Frank a compassionate man whose wife Sylvia and his family came first and foremost, but he was also the kind of friend one would cherish and be grateful he was in one's life. His heart was big and genuine. We loved him. To his beloved family who is suffering the grief of such a tremendous loss, we send our love and deepest sympathy. His absence will be felt deeply for he loved and gave his all to those he loved. Frank's faith shone through his often tough demeanor; rest assured that he is now safely in the arms of Christ his Redeemer, no more suffering or pain. Peace be with you. Bill and Shirley Wallace

I am terribly sorry for your loss. I know it is a very tough time for you right. What helped me during tough times was this scripture at (John5:28,29) Jesus says that he will raise up all those who have died. Knowing that I will see my loved ones again one day gives me hope and I hope it does the same for you
