Dustin Ray Featherstone

NOV 10, 1990 - OCT 27, 2018

Dustin Ray Featherstone age 27, a Tacoma resident passed away on Saturday October 27, 2018. He was born in Othello, Washington and was a Lead Receiver at Marlene's Market and Deli in Tacoma and was also a Lutheran. Dustin will be missed and is loved by his family and many friends. Surviving family include his mother Bobbi Jo Gorrin, his father Joseph A. Featherstone, step dad Robert J. Gine Jr., 2 brothers Justin A. Featherstone and Austin L. Featherstone, 1 sister Jaedyn R. Gine, 2 grandmothers Peggy R. Collier and Carol S. Featherstone, 1 grandfather Jackie L. Featherstone, 1 sister in law, 1 brother in law, 4 uncles, 5 aunts, 13 cousins and by 2 nieces.

The most important thing to him was family. he believed life was too short for regrets so he lived life like he wanted and enjoyed every moment and lived it to the fullest.

He was self motivated as well as chivalrous and easy going. Dustin loved being on stage singing and played both drums and guitar including his acoustic, electric and bass. He was loved by everybody that crossed his path and people would describe him and say he had the refinement of an older gentleman, attentive to other's needs and just within arms reach.

He loved all his friends and would of done anything for his best friend Zac that was like another brother to him. He was always a part of fundraisers to help feed hungry children or provide presents for them at Christmas. Dustin was taken way too soon and will be missed by all that knew him but Dustin, you will never be forgotten.

Loved ones are currently putting details together to celebrate his life that will be held a Point Defiance Park and will be announced very soon.

You know we went to school together, but we were more of acquaintance. I was thinking about the times I worked with your brother, and then it hit me, you were gone. Your still remembered Dustin. I hope your doing well 🙏🙏 Lord knows your family still misses you.

It's been a lil over a month my sweet beautiful boy and we are all trying to stand up every day and carry on like I promised you we would, although somedays seem to be better than others!! Not a day goes by that we dont think of you and talk about you. I keep waiting for you to come walking in and saying "Ma...its just me!" I know that is never going to happen but I miss seeing that smile and hearing your laugh. It breaks my heart to know ho much you loved your baby sister and nieces and you won't be around to watch them grow up but I know you will be watching and looking after us from above. I love you sooo very much my daddy and miss you sooo much it hurts, we ALL do!! I hope you know that my wish for you now is that you feel no more pain or hurt and you are completely happy because if anyone deserves that...it was you!! You will never be forgotten and will live on in my heart with all the love I had for you while you where here on earth until my last breath!! ♡♡♡

My heartfelt condolences to Dustin's family. I will miss his bright smile and willingness to do anything to help anyone. He was the first person I saw every morning when I arrived at work. Dustin always greeted me with a smile and the question, "What do you need me to do to help you?" He cared about all of us and I have no doubt that he is still watching out for us. He is so special. I am so sorry for your loss. Xoxo

There are no words to describe the pain I feel in my heart. In the short time I got to know you, I saw such an incredible man with a huge heart. When I saw you that afternoon I wished I had sensed something. As you know, I will have a part of you on my arm for the rest of my life. I wear this tattoo proudly in honor of you. I am blessed to have been your friend, Dustin. I pray for comfort to your family. Rest in peace, my friend.

Words fail me at this extremely unbelievably sad time. Dustin was a remarkable human being and as anyone who knew him senses the world as a place that has lost someone so very precious, valuable and rare.... Dustin was the kind of human I wish to be, so accepting, so full of love and kindness. My heart goes out to you boys Justin and Austin as well as your sister and mom... And all of his loved ones..I know Dustin was truly loved and adored by all who had the gift of knowing him. I will treasure the gift of being privileged to know Dustin and carry the love and light of his spirit in my heart!
