To Doug, Doug Jr, and the entire Luthi family, I was saddened to learn of Barbara's passing. It was a life taken all too soon, however like Doug Sr told me, she is no longer in pain. I was honored to have known her and she will be missed by many.

My sweet sweet Aunt Barb. I will never forget our visits, talks & most of all your love. When you left this earth you took a large piece of my heart. Your love made me be a better person & I learned so much from you. Someday I will join you & collect all my heart pieces back from all my family and friends that left me here on the earth. You earned your wings long before you left us, but now you can fly. Fly high on the mountain♡♡♡
