## **Shawn Ohm**

FEB 5, 1993 - JAN 3, 2019

**S**hawn Reco Handsome Ohm, 25, of Roy WA, passed away January 3, 2019.

He earned his associates degree at Clover Park Technical College as a low voltage electrician in 2013 and most recently worked for Sonitrol. Shawn had a passion for writing poetry as well as a vast and profound collection that only few have had the pleasure to read. Connecting with people through deep conversation and debate seemed to be what he really enjoyed most with all the people he cared for. When Shawn wanted to do something, something was going to happen right now! He lived his life knowing there is no reason not to go for exactly what he wanted. His friends knew him as the life of the party and the man with the heart of gold.

Shawn Ohm is survived by mother Judy Myers-Dougherty, father David Dougherty, older sisters Heather Van Voorst, older brother Andre Ohm, Calvin Kraft, and Tasha Kraft (Ohm). His predeceased family includes his father Ronald Ohm as well as his grandparents Shirley and Calvin Myers.

The family of Shawn requests that any memorial donations be made to the below fundraiser to support service costs:
