Pernell- I will miss her smile, the way she could remain calm when things were going out of control. She had a loving heart big as all of outdoors. This was evident when she chose to adopt her daughter, Christy. There have very few people in my life that I could call a close, dear friend, Barbbra a.k.a Madison was one of them. I will miss her so very much. Peace be with you Barbbra as you enter the Kingdom of Heaven.

Madison (Barbara) you asked questions, you angered, you thought, then you asked more questions. Nothing was simple to you and you put your whole heart into everything you did. Goodbye friend.

I'm almost a loss for words right now, in disbelief. I have so many fond memories of our friendship over the years. I could literally talk to you about anything! You were like a sister to me, my closest friend. You were a good friend to my husband (Michael). He and I loved you as well as a friend, and love your parents and daughter Christy. I'm gonna miss those calls at lunch to bring you a soda back to work. I'm gonna miss those mornings for coffee and chit chat about life and our girls. My husband is going to miss sending you candy back to work with me to you, and he is going to miss seeing you at playdates with Christy and birthday parties. You were so giving, sharing books with Paige and bringing her extra presents on her birthdays. You knew I wasn't feeling 100% at my daughters birthday, and you helped me cut her cake and get it passed out to everyone. I will be forever grateful for our friendship and the time we were able to spend together as friends. You were an inspiration to me, as you always put Christy first and did so much for others. I wish you were still here and you are missed so dearly. We Love you, Michael, Natalie and Paige
