I send my condolences to the family. I have many fond memories of Omie's and Opie. They welcomed my granddaughter N'Keiah Butler and her mother Angelyne Butler with open arms. They were two beautiful souls. Heaven is happy to have them. Delores Butler

Mom, What do I say. I remember you as a loving and fun filled person. We were best friends for so long. We laughed and had so many joyous memories. The best was when we all went to Mexico to celebrate your 50th wedding anniversary. I will always cherish the good times. How you were such a kind and loving person to me and Kathy and our children and grandchildren. You were unselfish and caring. Those are the memories I will cherish and remember. I am so sorry that you lived in pain and despair in your final years. You deserved better and those that you trusted will need to live with their decisions. Rest In Peace. You are now in the arms of the angel and God is by your side.

Mama-I will miss you dearly but take solace that you are now in a better place with Daddy and resting at the right side of the Lord.You taught me right from wrong, comforted me when I was crying and always was concerned about how me and other people were doing before tending to your own needs.I could not have asked for a more loving mother and will cherish all the memories of our time together.Heinz
