**Randy R** posted:

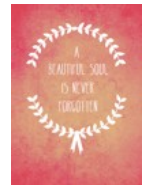

I enjoyed dinner a couple of times each week with Stan for his last three years in this life. Stan always spoke with affection about his family. Stan also knew the scriptures better than anyone I knew and was always willing to share them. For the sake of adventure... Stan insisted he ride in my jeep with the top down even though it was a struggle for him to get in. Okay ...okay...down to the waterfront we go. Positive, optimistic and caring for those in his path...he will be missed by many. Randy
