We are sending our deepest condolences to your family during this difficult time. Remembering all the good times we spent together when we did get to see them. Bert and Virginia were just the best! We had a lot of laughs together. Roger and I drove out there with our family and your Aunt Honey and Aunt Amrlia. I'm pretty sure we parked our camper by Aunt Aggie (your grandparents house) I'll never forget that vacation. It was the greatest. And again when they drove to Wisconsin and they stayed by us. Bert fixed our electrical wiring in our kitchen. Memories are the best! Keep your memories of them close to your heart. God bless. Love, The Kittson Family from Wisconsin

I meant to say we played cards in the kitchen. She was either at my house or mostly at her's. There are so many memories!! Love you Virginia to the end of Time.

My Dear Virginia met in Jr. high School. We became forever friends. We would dress alike. We loved playing Sorry and eating popcorn in her parents kitchen. When Becky was due to be born, her Mother, Bert, Paul and I played while she was in labor. I will miss her birthday cards to me with lovely notes! There is a void in my life that will never be filled. I find comfort in knowing she is with our Lord and her loving Bert. Sharon Cusato
