I so appreciated Don and his love of life, music and the Dash Point community. I will be forever grateful for him playing his musical tribute in the BP Shopping Center parking lot when ACE Hardware closed. To be forever remembered, will be his playing of Taps off his deck in Dash Point all those evenings. What a unique, positive action from a unique, positive person. This world certainly needs more 'Don Brittain's'. My wife and I send our condolences to his family. Grant (Dash Point resident)
