Barbara Ruth posted:

My husband, Jerry Ruth, worked with Vi at the TGH Pharmacy for many years. Jerry started working there in 1969 and I think Vi was already there. We stayed in touch with Vi throughout the years, enjoying vicariously, all her many adventures. Dancing with her son and traveling, enjoying her adventures with Volkswalking (sp). Her independence and lust for life was noteworthy. We last visited with her in her mobile home and then moved to Las Vegas and in 2013 and lost touch. May she rest in Peace
