Theo Lee Solomon

NOV 9, 1991 - MAY 27, 2020

On Wednesday, May 27, 2020, Theo Lee Solomon passed away at the age of 28. Leaving behind his mother Carol Lee Solomon and 8 year old daughter Ava Jones.

Theo was born on November 9, 1991 in Seattle, WA to Terry Donald and Carol Solomon. He was then raised in Tacoma, WA. He received his criminal justice degree from Eastern Washington University in Cheney, WA in 2014, just miles from Theo's native Spokane reservation, which he belonged to. On August 9, 2011 Theo had his daughter Ava Lynne Jones.

Theo's infectious personality along with his physical stature made him someone you'd never forget. He was bigger than life & enjoyed it every second he was here in the physical. Theo had many passions but a few were music, traveling, and bringing people together. He was known for his quick wit, his infectious smile, and his kind and compassionate spirit. He will be remembered by his community, and peers as a staple in the Eastside community in Tacoma, WA. ESO Forever!

Theo loved his family and took pride in his native & black heritage. He survived by his Mother, Grandparents, Siblings, Aunts, Uncles, Cousins, Nieces, Nephews, and Friends.

To ensure the health and safety of our community, we are following all guidelines set by local, state and CDC officials. Please contact the funeral home with any questions and we encourage friends and families to check back for service updates.

Carol, Carol ... I am praying you will soon find peace, peace in knowing that you and Terry raised a fine young man, and not that I need to remind you, your son loved you more than life itself. When I first met your son, I knew then, Theo was a humbling young man, and because of his humbleness, it made him that kind of special in the lives of others. Carol I pray that you will keep finding your strength, by trusting in the Lord to comfort you in all your doings, keep trusting in the Lord my friend. While even in pain and suffering, it is the almighty God plan, His loving-kindness, His will to provide His loved-ones with cherished memories, and may your sweet & loving memories of Theo live on in your sweet baby-girl Ava. Carol Solomon ... you are a good woman, and because of your goodness, Theo loved his Mama, I ask that the Lord bless you and your family with uplifting angels, to watch over all & protect all in all doings much love & blessings Ron, Elaine

My heart ❤️ is broken, for you my cousin Theo Lee Solomon. I remember when you were born, and you, Brea Leigh, and my sister LaRain, were thick as thieves. You grew into an amazing strong young man, who made u mama so very proud! You loved your family hard, and your friends too. And when your daughter was born, she reminds me so much of you growing up, but you took on that responsibility and conquered it head on, and that was great to bear witness to. You will be deeply missed, and you are Forever loved. RIP my dearest cousin ❤️

Theo! Man this hit the city hard! You are loved and cherished by so many. Like our first memory together. I was obviously somewhere I didn't need to be and I was lost. You stood by me the entire night until I found myself and I will never forget that. Your presence was strong. Your memories will last forever. You will be missed, but never forgotten.

I have known Theo since he was a baby. I got to see him grow into a man and bring his own child into the world. His mother Carol and I have been friends for about 29 years I believe. Theo was a wonderful person. My fondest and most cherished memory of Theo is singing gospel music at my apartment on Thanksgiving a few years back. I will admit I was shocked that he knew gospel songs. But, again this shows how much of a great person he was to have God in his life. We will all miss you Theo. Rest In Peace young man. We ALL got your mama and will take great care of her and Ms. Ava.

To Theo's Family and Friends, It goes without saying, Theo was an amazing and well rounded man. I think he had the "it factor" since he had the ability to connect to anyone in any setting. He was a young educated black man, and was always extremely intelligent. I'm amazed at how well he retained information. Theo could put you on to the Chapelle Show and school you on the history of a country you'd never heard of all in the same night. I loved debating with Theo. While I think I can argue pretty well, I'd always stand corrected/ get fact checked by this living encyclopedia. When we'd check on each other over the years, he'd talk about things he wanted to change about himself and his environment. We weren't as close as we had been, so I'm not sure how that went for him. I am sure that regardless of the season he was in, he was always in a position to be a blessing to the people around him. I believe God was able to use Theo as a genuine light in people's lives. You always felt good and comfortable around him. Mrs. Solomon, thank you for raising such an exceptional young man. I'm sure you know of all of the lives Theo had an impact on, and everyone who knew him for 15 minutes or 15 years was blessed to have met him. I pray you and your family have peace, and that you're surrounded by so much love - the same goodness and love that your son gave to everyone. Ava, I pray that you have peace as you grow. Your dad loved you so much! You have amazing parents, and all of the goodness in you is a reflection of them. Please take care. Sincerely, Trinera Johnson
