Dad was finally reunited with his soulmate, his identical twin, and the biggest family reunion in heaven. Due to the Covid 19 we were unable to have a large church mass & burial (limit of 30), but I know that he was greeted by our mother and he died peacefully and he had all of our love, respect and that helped him with his journey home. I never heard anyone complain about my dad or have anything negative about him, most remember his sense of Hohn humor, his quick witted responses and his silly jokes. We will miss his chuckle, giggle, his favorite stories he liked to share and our regular visits. We were blessed to have him as our father, grandfather and great grandfather. May you Rest In Peace dad, please give mom a hug & kiss for us and this isn't a goodbye, but a "until we see you again!" I love you!! ❤️
