I, am very sad and disappointed that Sharon is gone. She was one in a million. I will miss her feedback and comments on facebook . I will also miss the virtual bike rides and looking at her garden as well as the meals and ice cream. She really believed in living her life to the fullest. She helped me get through some rough times when I had a couple of close friends die. One of them died on my birthday. She was right when she said that I have the memories to last me the rest of my life and I feel very fortunate to have been able to have shared my life with them as well as her. This is the problem of getting to be our age. My wife Barbara lost her mother as well as one of her sisters within the last 5 years. Another one of my closest friends died last year. My heart and thoughts go out to Gary and Sharon,s kids as well as the rest of her loved ones. This is a very difficult time.
