Jean Hansen

SEP 4, 1929 - SEP 7, 2020

Jean Hansen was born on September 4, 1929 in Seattle, Washington and died September 7, 2020, three days after her 91st birthday. She was born to Oliver and Theresa Pagni who immigrated to the United States from the small village of Pone Bugnesse, Italy around the turn of the century. They settled in an Italian community in the Rainier Valley of Seattle known as “Garlic Gulch.” There she went to Mass and attended elementary school at Our Lady of Mount Virgin Parish. Jean was preceded in death by her siblings Roger, Eva, and Anne. Later, she lived in the Tacoma and Puyallup area and attended Sumner High School and Fife High School.

In her post-high school years, she sojourned to California. When she returned to the Northwest she met Richard Hansen at the Poodle Dog Restaurant in Fife where she worked as a waitress. They were married on November 13, 1954.

They made a home in Puyallup where they raised four boys and tended to a small raspberry field. In later years, they branched out to farm another berry field and a rhubarb patch. Richard was a salesman for Auto Clearing House and Williams Oil Filter Company in Tacoma while Jean pursued her primary vocation as homemaker. She also oversaw the berry picking crew. Over the years she enjoyed some part time jobs such as monitoring the playground at North Puyallup Elementary School, doing deliveries for a local florist, cleaning offices, and selling ice cream at the Puyallup Fair.

Jean poured out much love on her children, daughters-in-law, grandchildren, great-grandchildren, nieces and nephews, and many friends. She enjoyed cooking, baking, reading, television watching, going to movies, doing crossword puzzles, card games, playing slot machines at casinos, playing BINGO, collecting bells and hummingbird souvenirs, travelling to Reno, taking cruises, and hanging out with friends at the Eagles Club where she was a member

Dear Tim & Family, This is such a sad way to renew our familial lineage. Jean Knudsen called me to let me know of your Mother's passing. Seems to me WE are now the old guard we once obeyed. Your Mother looks lovely, Tim. She always was lovely & so kind to us all. I do recall how she & my Mother would sneak away to a corner & talk & laugh at us kids. They were only a year apart & my guess that had a lot to do with their 'chats'. My Mother passes in 1998, so I know how you must be feeling. You are the Head of the clan, Tim. One memory I can share now, but I had the largest crush on you! Did you know that? I made sure when we gathered for Birthdays that mom did my hair just so & that I always dressed in my best hoping you'd notice! I have a pic of you right in front of the camera lens being 'muscle man', remember? Tim, your Mother will be missed. Be strong today, she will always be there for you, more than likely by your side. I hope she wasn't ill and that her passing was easy. Be well. My Love & prayers are with you today & in the weeks & months to come. Life will be easier without her with Time. How fortunate for you & all who loved that her that she was with you into her ninties. God Bless all of you. Have you guessed who this is? Much love, Annette Halseth Miller.

Cousin Jean has been a part of my life throughout all my life. I am in the same generation as her four sons and I have many memories of going over to her house. She was a warm, vibrant loving person. As I grew older, we continued our friendship as adults. She made me feel special. She used to say, "I'm so blessed." May she Rest In Peace with Our Lord.

Auntie Jean was my moms best friend. The two of them were real characters and full of spunk. They would always come out to look at my decorated Christmas trees and have a rum and coke. I have so many wonderful memories of Auntie Jean, but cherished her holiday visits with mom. Oh, and of course our weekly trip to the Eagles for a cocktail. She will be missed, but not forgotten.
