# Christy Michelle Curtis

OCT 4, 1975 - JUN 13, 2021

**C**hristy Michelle Curtis, 45, passed away June 13, 2021. She was born in Norfolk, VA on October 4, 1975 to Thomas “Bryan” Curtis Jr. and Carol Ann Pye. She was a Veteran of the United States Air Force and a graduate of Rogers High School in Puyallup, WA in 1993. Christy had an adventurous life having grown up on the east coast and moving eventually to the state of Washington. She was a senior dispatcher with South Sound 911 for 22 years in Pierce County and had great admiration for all her family, friends and work colleagues. Christy had an uncanny ability to reach people in a deep and positive way that led her to the love of her life, Jeffrey Evans her fiancée.

She is survived by her father, mother and brother along with her aunt, Carol Renee Curtis (son Noah), uncles Gregory Randall Curtis (wife Nancy, cousin Justin, his wife Nicolle, daughter Avery) and Michael Patrick Curtis (wife Shiela) and Jeff Evans and her many nieces, nephews, and cousins. Family, friends, and others whose lives Christy touched are invited to Mountain View Funeral Home, 4100 Steilacoom Blvd SW, Lakewood, WA from 11:00 a.m. on Thursday, June 17, 2021 to reminisce, grieve, support each other and reflect upon Christy’s life.

**Kandy Roseth** lit a candle in honor of Christy.

I still cannot believe this is really happening. Everyday I pick up my phone to text you, everyday I relive what has happened. We have been through so much together, good.. bad.. ugly and things we never speak about to others LOL (ie. what happens in vegas? hahaha).I will never forget you buying me my first Coach purse - how had I made it half my life at the time without ever owning such a prize - my shock at the price of purses and my fear of using it because I was afraid of ruining it.The funniest moment in a tragedy goes to you, twice, once falling UP the stairs getting into the MOCC unit and when I convinced you to move my truck and forgetting to tell you the alarm was acting up and would go off if you used the auto unlock - oops, how was I to know that Troyer would be using my truck as a backstop for that news bit... It was hard to apologize when I was laughing so hard.Pedicures & nails, Olive Garden all you can eat salad and bread sticks, The Ram mud pie dessert before closing since we both worked graveyard. Crying with you when I was diagnosed and hearing you say "you got this", and I believed you - I just thought you would be along with me for the whole journey.Miss you everyday, love ya ladyKandy
