Mark David Bishop

MAY 10, 1977 - JUL 1, 2021

“Greater love hath no man than this, that a man lay down his life for his friends.” John 15:13

Mark loved life and lived it to the fullest. He loved his family and friends, making an impact on all our lives. He had a great sense of humor, loved to play games and celebrate holidays, especially the 4th of July and fireworks. As an organ donor, he has helped saved lives. He died saving other's lives at Longbeach, WA.

Mark was born in Lakewood, WA and lived here all his life. He is survived by his father David (Cheryl) Bishop, his mother Mary (David) Raybell; sisters Rebecca (Jason) Weisenhaus, Deborah (Gabriel) Simpson and Mary (Mike) Jahner; and by his 7 children. He is also survived by stepbrother Sean Raybell and stepsister Serin (Mike) Anderson. We miss him, cherish his memory and look forward to seeing him with Jesus.

Memorial service is Thursday, July 15, 11:00-12:00, at First Baptist Church of Lakewood, 5400 112th St SW, Lakewood, WA 98499

I'll miss you ole friend, from the times we went out shooting pool to working at the EQC. It seemed like I just spoke to you on June 22nd to be a reference for me. I'm sad to here you are gone, but never forgotten. Hope to see you one day to have that beer and shoot that game of pool again.

You are my whole world. We were just trying to start a family ,and get a house instead of an apartment to fit all of us. It just feels like a bad dream. Thank you for blessing me with all the time that . I got with you thank you for leaving kiddos, so we have a little piece of you to carry on. Thank you for teaching my kiddos and allowing me to teach yours. I Will Always Love You forever. You are truly amazing and always put it make people laugh are always trying to think of others. You may have not had a lot but we made do with what we had it always try to do whatever we could to help others. People always be a hero my book and I would have loved you no matter what. May you smiled down on us from heaven. Because I know God that God the best angel of there right now.
