Darlyne Ann Wiggins

AUG 20, 1945 - JUL 20, 2021

Darlyne passed away peacefully with her husband and daughters by her side. Darlyne is preceded in death by her mother Josephine Bryce, granddaughter Danielle Aussem, son in law Jim Binford, brothers Frank Bryce & Tom Bryce, and nephew Mike Mayhew.

She is survived by her husband of 59 years, David and daughters Denise Binford, Dina Whitehead, Darla (Chuck) Markus and sister Maryon Mayhew. Grandchildren Jacob Binford, Haleigh Whitehead, Hannah Whitehead, Brett Markus & great grandchildren Alani, AJ & Ariya Ahching.

Our mom loved unconditionally, fiercely and would defend us until the end of time. She would help friends & loved ones in a heartbeat and was fearless. Mom would be at the bedside of a family member or friend in the hospital until the end, that's the type of woman she was. She was very interested in doing some sort of Hospice care, she loved doing it and was very good at it.

Mom was a great daughter, cousin, aunt, friend, but especially a wife, mother & Grandma.

She absolutely LOVED being a Grandma, all the grandkids adored her and she had a special & unique relationship with each of them. So much so, that Haleigh & Danielle followed in her footsteps to be hair stylists. Mom would never brag, but that meant the world to her. She loved that each grandchild found their own niche.

Mom always wanted us to have more than she did, our parents worked very hard to make sure we had the things that we needed and much more. As we became older with children of our own, our mom became our friend.

I remember her saying one time, you'll have a lot of friends in your lifetime but only one mother, and she was ALWAYS our mother first.

Dad was the love of her life since she was 14 years old (Elvis was a close 2nd)! They grew up together, had a lot of fun together, started a family, showed us how

important family is, taught us everything we needed to navigate the world. We would still ask for help with something now & then, and our dad will forever help his girls, because that's our dad!

I don't know how the four of us will manage without mom (Dar) but we have each other to lean on, cry with and get through it together. Because that's what mom would've done!

Bogga, Words seem so trivial without you here, and this world is not the same without you. I've never imagined this life without you, I guess growing up I never believed that myself or anyone else that loves you would have to live on without you. You, my Bogga, were the most incredible woman I have ever had the pleasure of meeting. I feel so blessed to have known you, loved you, and even more so, be your grand daughter. You're my hero Bogga, I always wanted to be just like you, and I'm so so so thankful that I had you in my life to guide me and help push me into being the woman I am today. You were the strongest woman, who had the kindest heart. There will never be another like you, and I am so proud to be your grand daughter. I love you and I miss you with my whole heart and soul. Until we meet again. Your green eyed girl, Haleigh

Mom.I still don't believe that you're gone, it just can't be real. You were the best mom to us girls, very protective, your love for us was enormous, unconditional & never ending. Your love for dad was the same & his for you. We had the best childhood because you & dad made sure of it. We had everything we needed & more. I swear you worked just to buy our school clothes! I learned to be the best mom that I could be, from you. You always listened without judgement, offered advice when asked and sometimes when not! But that's what one does as a parent, I always appreciated your thoughts & advice, sometimes it took me a while, but I got there. I know your advice was always in our best interest. You surprised me & showed up at school to find out with me when I made cheerleader, you showed up at the vet when we had to put Afrika down. You came to visit me a lot when I was on bed rest with both girls. You were at the hospital for hours & hours when we had our babies. You came with me to Haleigh's appointment to get her first shots. That's the type of mom you were, always, always there for us no matter what. I hope that I'm at least half the mom to my girls, as you were to us.I know Bogga Bryce, Danielle, Michael & your brothers were all there to greet you on the other side, God needed you & I know you're breathing easy now.I now understand how you felt when Bogga Bryce passed away, I never wanted to know this feeling.I know that I will see you again some day, but until then keep everyone in line up there in heaven!! love you so much and I'm so glad we were able to tell each other the important things at the end. Thank you for helping form me into the woman I am today.I love you mom,Dina

I would like to extend my condolences to you and your family on your Mothers death. I am a Moe relative and never had met her, but when a Mom dies part of our hearts go with her and we will ,miss her for the rest of our lives, but we will also know that we will carry on with all the knowledge that she had taught us and that will be taking her with us in spirit.
