I shall always remember Sheryl as the caring, sweet person she was. I remember when I had surgery and could not eat most foods, Sheryl and Justine would bring me soup to eat and if I liked it a couple days later more soup would appear. She was so loving and always willing to help others. She believed in people even when they didn't deserve it. You Will always be my niece and I love you. RIP now!

Sheryl, I will always remember your cheerful personality and the excellent skin care products (seacret) you sold. The hug you shared with me at your mom's viewing will forever be in my thoughts. I love you and you will be missed. RIP.

Sheryl had a beautiful kind heart. She totally enjoyed conversing on the phone for hours, and kept those she spoke to totally entertained. Sheryl often had me laughing over the antics of her beloved cats, who were definitely "family" for her. Rest in peace. I will miss your bright smile.

Sheryl, you were my dear neighbor for some years. We laughed, talked and even shared our food. I so admired your mom aka Mrs. Justine. You both were always so friendly and helpful. I cherish the times we had together. RIH

Sheryl and her sister grew up with my two daughters. As young girls, they played together a lot. I saw Sheryl's Mom and Sheryl before they passed. Sheryl and I talked on the phone for a long time after her Mom passed. I am so thankful we had several long conversations. Keeping her family in my prayers. I love you, Sheryl. RIP 🙏
