## **Susan M. Randall**

MAR 26, 1957 - AUG 31, 2021

**O**n August 31, 2021, God whispered her name, embraced her, and took our sweet Sue home. Born Susan Marie Olsen on March 26, 1957, to Lois and Floyd Olsen, Sue was the third of nine children. She grew up in Tacoma, attended Holy Rosary School, St. Leo's High School, and graduated from Lincoln High School (75').

In July of 1976, Sue married Cliff Rapp. They were married for 12 years and had three children, David, Michelle, and Lori. In 1991, Sue met her future husband, Dennis Randall, at Weyerhaeuser when he came to her rescue and helped her get her keys from her locked car, which was fully loaded and ready to camp. With a mutual love for the outdoors and most likely her fantastic cooking, their love grew, and they married in May of 1996, expanding their family two-fold with his three children, Sarah, Josh, and Paul.

Sue worked for Weyerhaeuser for 39 years. She was a dedicated employee and made many good friends over the years. In addition to working full-time, Sue was known to work seasonal jobs here and there to make extra money and loved a good bargain. She was the master couponer and had a passion for taking care of others. It was a regular habit for her to buy all the good deals and deliver a host of treats and food to her family. Her heart was who she was. She took care of others before herself and loved to serve. She was known for her excellent baked goods, cooking, and going above and beyond so that her loved ones received just the right gift; many times, running to her car to pull out five more options to make sure. She loved camping and the outdoors. As a mom and grandma, she did it all! Sue made sure all her kids and grandkids got an abundance of outdoor adventures, including yearly grandma campouts. She was the limit master of clams and often went fishing and hunting with her husband. She loved the ocean and spent countless weekends at the family cabin.

She was a dedicated and loving daughter, sister, and aunt. Sue always made time to spend with her parents, especially as they aged. She stopped by often to visit and helped with holidays and birthdays, even if it meant it would make her late for her own events. It was not uncommon to

find her and Dennis spending a weekend evening playing cards with them. She was a staple in the care of her mom as dementia took over. Sue made sure her mom still spent time at her cabin at the ocean and often took her to her house to keep her occupied and active. They had a special relationship, and our hearts are at peace knowing they are all together again.

As a sister to many, she loved her big family. She rarely passed on an invite and always showed up with her big smile that made her eyes twinkle, and it never took long for her laugh to light up a conversation. We will miss her phone calls, her five-minute voicemails, her over-the-top menu plans, and her mess in the kitchen because, in the end, it was just her, and we loved every part.

As an aunt, she ensured the kids had all the fun snacks, including chick-o-sticks, laughy taffy, and homemade Chex mix. She handed out sandwich bags that were constantly full of treats. The kids in her life never went without! She was the fun aunt that undoubtedly leaves a smile on everyone's face that recalls a memory of their childhood.

Last but not least, Sue was a friend to all. You might have met Sue as a stranger, but you walked away a friend. She had the gift of gab that immediately drew you in and made you feel like you had known her for years. She was generous, kind, and loved people. She loved her friends and made time for them, just as she did her family. She adored her Bunco group and had many close friends. If you were a friend of Sue's, you were a cherished gift. Thank you to all who loved her as much as we did.

Sue's love was so mighty that while her time here was cut short, her heart will live on forever with all of us. She did life right when she gave the gift of her time and company. She was the best at it. She was the center of everything family, and for that, we are grateful that she was given to us as she was truly a gift and will be dearly missed.

Sue is survived by her husband, Dennis Randall, and their six children, David Rapp, Michelle (Matt) Jacobson, Lori Rapp, Sarah (Anthony) Perez, Josh Randall, and Paul (Heather) Randall, and 12 grandchildren. She is also survived by eight siblings, Leonard (Bernie) Olsen, Thomas (Carrie) Olsen, Steven (Kim) Olsen, Deborah (Tom) Renner, Douglas (Michele) Olsen, Elizabeth (Chuck) Smith, Kenneth (Brian) Lawrence-Olsen, Kathleen (Gene) Goodner, and a large extended family. Sue is preceded in death by her parents, Lois and Floyd Olsen.

Sue, I am going to miss you girl! Your service was fabulous. I met Sue when we were both working at Weyerhaeuser. We were pregnant at the same time with our firstborn's. I have so many wonderful memories with Sue and her family. Some of my favorites were the celebrations with her family and when we got together with our kids. One memory that sticks with me the most is when Sue showed up at my house on Halloween and the best Halloween costume ever! I will just leave it at that, lol. To this day I still laugh the hardest when I think of it. Sue would stay up all night sometimes to prepare a big spread for work the next day. I always thought, " how did you do this"? I love you Sue. You were so much fun, you were kind, lovable and giving and I am going to miss you so much! Thank you for allowing me to be part of your family! I love you Sue. Kimberlee Coffel

I was privileged to be part of this wonderful family and to have had Sue as my sister in law. Such fun memories of holidays together, always so much laughter and more food than the entire neighborhood could eat!. She was absolutely devoted to her family and was completely selfless, making sure everyone else was happy and had everything they needed. I will miss you dearly my friend, your sweet smile, endless laughter and our very long conversations when we'd run into each other at the store. To all the family, you have my deepest sympathy on the loss of this precious loving lady. I am heartbroken for all of you. Sharlee Colby

I have to share that I love Sue so much. It can be years between seeing her and we just fall back into the love of our friendship. Such a big heart and a smile to match it. She is always up for anything - like being dressed as a "bride" in Toilet paper for my daughter in-laws wedding shower! I will miss that I won't ever see her again. My love to all the Olsen family! I am so very sorry to hear this. I knew Susan at Weyerhaeuser. One Halloween, when she was pregnant, she made her baby belly into the Great Pumpkin. She was so clever and so sweet!! Sue was a one of a kind person! Always the first to offer help, whether it be work related or personal. We had many conversations throughout the years about her mom and dad, her kids, Dennis, all the extended family, Washaway Beach and I shared stories of my family. A kind-hearted, silly, always smiling friend – who liked to feed the ENTIRE Law Department. Haha Bringing in home-made sweets, savory finger foods - it was just her nature - to bring people together with food. I've missed seeing her daily at work. We stayed in touch through texts and FB. When her mom died, she asked me to toast to her at our property on the Cowlitz River. I hadn't had the chance to do that – I will be adding a toast to Sue as well. I hope Sue is whooping it up with her mom and dad and all the others she was close to that have passed. My world is a little dimmer knowing she's no longer with us. My most deepest and heart-felt condolences to you all.
