# Robert Scott Thomas

AUG 6, 1968 - JAN 6, 2022

**R**obert Scott Thomas, passed away this month at 53 years of age.

He was born August 6, 1968 in Tacoma, Washington and passed on January 6, 2022 in Federal Way, Washington.

He is survived by his spouse of 20 yrs, Kyung Jun (Jasmine) and his step-children, Ula and Thomas Jun. He was a devoted husband, hard working father, and a dedicated Postal Service employee of 28 years. What he most enjoyed spending his time on was creating things with his hands and his mind. Whether it was his ability to visualize and execute an addition to his home or plan out an extra chapter to his novel, there were no challenges that were beyond his skill and craftsmanship. To Robert's friends and coworkers he was defined by his intellect; but to his family he is defined and will always be remembered for his generosity and love. Nothing would bring him more joy than kicking back on the couch, cracking open a coca cola and watching the latest superhero movie with his wife and children after a long day of measuring twice and cutting once. Rest In Peace Robert Thomas, you will be missed.
