I'm sorry. So shocked . I meant she had Keyoni, Emoni, and her new baby boy.

My name is Helena. And I've been looking for my friend LaTonia I met when I was a kid. At the time when we met with our children she had Keyoni, and I, and her new baby boy. We were very close and lived across the street from each other. We hung out almost everyday with our kids, went out together and even went to the Riff Riders concert together. My girl. LaTonia was sooo funny and love. Very sweet n generous . Tonight I am saddened to find out my friend is gone and I didn't get the opportunity to reconnect. I love you friend, and much love and prayers to all your children and family and friends. You are an Angel.
