I knew JR for over 25 years and he was a very good cook at the Java Jive. I am a vegetarian and he would cook me veggie burgers and make them taste so darn good. He was always friendly and I enjoyed our conversations. He will be missed.

I had thought about his daughter Linda. She looked a lot like Grandma Mary Lou McPherson, I thought. Just a horrible passing for her.

Elmer was a loving brother, who would do anything for family. Elmer helped me frame my house, and wouldn't take payment for his time. We will meet up again in heaven. Gene
