We miss you Terry. You were a very wonderful person who will always be in our hearts and our memories. We have so many memories from the day we met you. You always took care of everyone you were around before taking care of you. The thing that impressed me the most is when you watched Daisa at a young age. You took so much time with her teaching her so many things. You had so much patience with her. You made sure she knew everything she needed to in the learning department. I admired you so much for that. We will miss your help at Bingo. You always told us what to play and if we missed a number, you were right on it letting us know. We had a lot of fun times there. We know you will be watching down on your family and guiding them in the right direction along with the rest of the family you have now joined. We will truly miss you and will have you in our hearts forever. Ron and Karen

Terri you were always so kind to the children. You were there for the birth of my youngest 33 years ago. You were kind to my oldest children and played with my granddaughter Amelia. Your famous greeting was "Hi Honey" it will be missed at family gatherings. You were a sweet lady and will be missed. We love you, RIP dear Sister in Law. Hanna
