Brother Louis Williams was a beloved teacher at Lincoln and Foss High Schools. It was truly an honor to serve with Colonel Williams for 2 years at Lincoln but continued as a friend and Fraternity Brother for many years. He was loved by staff and students and always was gentle, and kind with a big smile. I visited Louis and his family often and had great conversations solving all the problems of the world. I look for my friend and I could not find him. I sought my God and He eluded me. I found my brother and found all three. Your brother in Christ, Charles S Lassiter

I am Mary Nielsen-Webster. Mr. Williams and I met at a critical time in my life. I was 13. He counseled and consoled me every day of that school year and changed my life forever. I found my way through many struggles with his sound advice. Years later I was pleasantly surprised when he and his precious wife Ida came where I worked for their eye care. I told him often and will say it here. He was my hero, in every sense of the word. I loved him as one of my dearest friends. My love to Ida and his family. May he Rest In Peace. Job well done, good and faithful servant.
