Cathy Lou Caloren

MAY 5, 1956 - APR 2, 2023

Cathy Lucas Caloren passed away unexpectedly on April 2nd 2023 at the young age of 66. Born to Elsie and Harold Mulholland in Tacoma WA on May 5th 1956. She is survived by her Husband Bill, Daughter Ryan, Son in-law Quinn, Brother Richard, Sister Carol, Grandson Luka, and Granddaughter Hali.

Cathy was a lover of all things outdoors and animals. She loved making people laugh and ensuring all animals felt safe and loved. She loved her friends and family both four legged and two legged. In her younger years she enjoyed riding horses, particularly her soul mate horse Chad, and was an adventurer, riding her bike across the country and through New Zealand. After spending over 40 hard working years in the veterinarian world, she was settling into retirement. Her days were spent in her beautiful gardens, caring for her misfit bunch of pets, and laughing with her beloved grandchildren. There was so much more to Cathy than can be put into words. If you had the honor of meeting her you will understand. She modeled a life well lived and will forever remain in the hearts of those whose lives she touched.

A memorial will be held in her honor on May 6th. Please contact the family with any questions about the service.

Cathy was literally the best person....always quick to help, quick with a funny remark. So capable and yet so humble. I took my then 3-year old daughter (now 27 years old) to Pac Ave one time as I needed to do an endoscopy there and couldn't find child care. Cathy kept her entertained and out of trouble, and when we left, we had two 'free' bunnies 😊 I haven't seen her too much in person for awhile, but she and I seemed to share the same sense of humor on our Facebook pages, where we shared each other's posts. I hope you feel the love emanating from all of Cathy's many friends, Ryan.

Cathy was one of the world's best and kindest veterinary technician and I always looked forward to days I worked with her at Pac Ave. She always greeted with welcoming hugs, kindness and jokes. She was skillful, happy to always share her knowledge, and just so humble and always so positive. I remember chatting with her about her greatest joy - Ryan. She glowed when we joked about her grandparent name - Gigi Mimi Caloren. She will be missed. My deepest condolences to her family.

I met Cathy through caring for her mare Rosie. I'll be forever grateful. I loved our visits, (and the bucket of red licorice I got for my birthday!) We loved listening to oldies in the yard. She so loved her family and her friends, and her animals. I'm glad I got to be included, and I'm going to remember her forever. ❤️
